

## REPEAT PENDANT JOINER ACCESSORY

SKU# 020978, 020979

**NOTE:** This instruction manual is for the Joiner Accessory only. The compatible luminaires (SKU# 020978, 020979) are sold separately, refer to the instruction manual included with the luminaire for installation directions.

To ensure correct function and safety, please read and follow all instructions here and in the luminaire installation manual carefully before assembly, installation and use of this product. Please keep instructions for future reference.

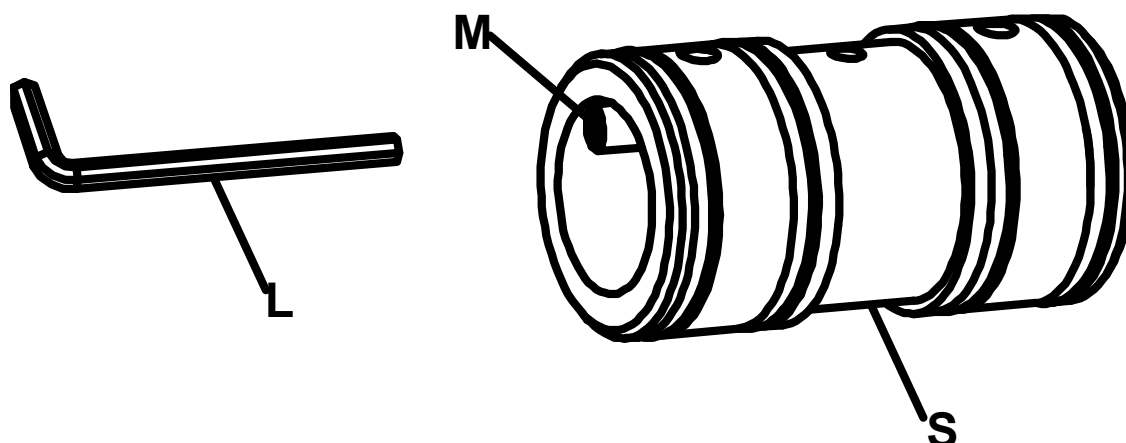

### Warranty

- This joiner accessory is covered by a 12-month warranty. The warranty is from the date of purchase, not the date of installation. Please retain the proof of purchase for any warranty enquiries.
- Warranty will be void if there is any damage due to improper usage or modification to the joiner accessory.
- Failure to comply with instructions in the luminaire's installation manual may increase the risk of damage or injury and will void the warranty.

### Installation Requirements

- No electrical wiring connection or disconnection is required for installation of the joiner accessory. The service of a licensed electrician is not required.
- Lay out all the components on a smooth, non-scratch surface and make sure no components are missing or have been damaged during transport before assembling.
- Do not operate/install any product which appears damaged in any way. If parts are missing or damaged, return the complete product to the place of purchase for inspection or replacement.
- See compatible luminaires (SKU# 020978, 020979) instruction manual for installation directions.

### Included Components

(L) – Allen Key, (M) – Grub Screw, (S) – Joiner Accessory

### Safety Tips

- Always ensure the power is OFF and the luminaire has cooled down before performing any maintenance, cleaning or making any adjustment to the luminaire.
- To avoid injury or damage to the product, ensure that power leads and screws are secure before connecting power.
- Select a suitable location away from liquids and hazards.
- To clean, wipe with a soft damp cloth. Do NOT soak or immerse the product in water or other liquids.
- Ensure that the product does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
- To avoid injury or damage to the product, ensure that power leads and screws are secure before connecting.
