

400MM SOFIA DIY FLAT PACK DRUM SHADE

SKU# 090786, 090789, 090792, 090795, 090798, 090801.

NOTE: This is the assembly instructions for the shade only. Luminaire is sold separately.

NOTE: SKU# 090804 – Sofia 400mm shade ring is sold separately and is required for assembly.

To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use. Please keep instructions for future reference.

Warranty

- This product is covered by a 12-month warranty valid for in-store replacement or refund only.
- The warranty period starts from the date of purchase. Please retain the proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the product.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.

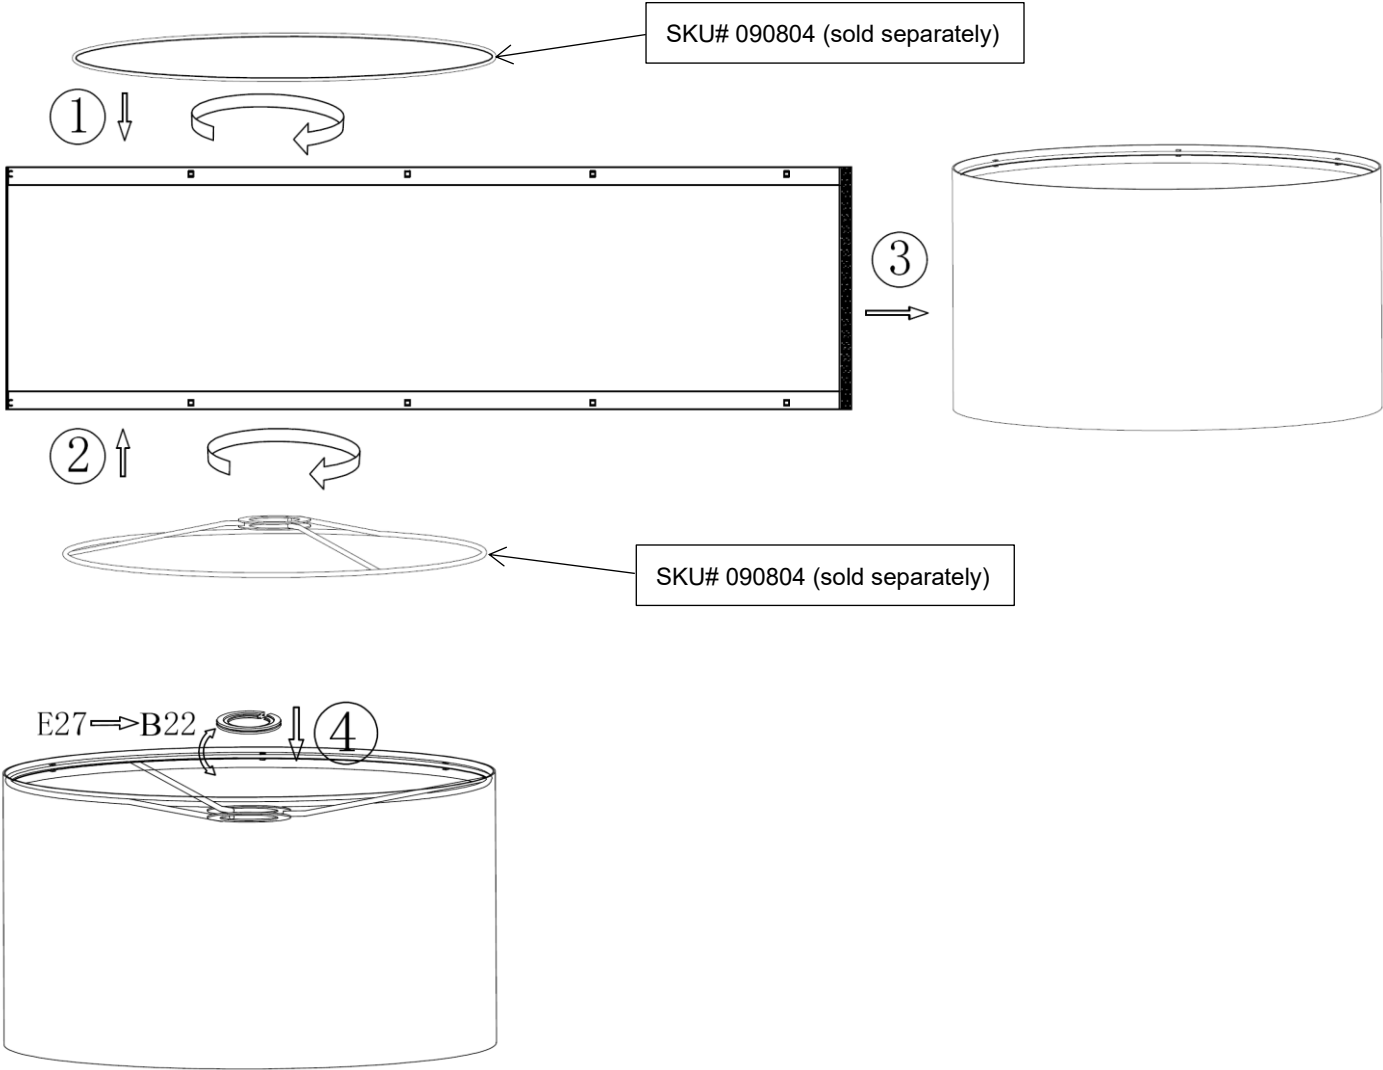

Installation Requirements

- This assembly instruction is for the shade only. No electrical wiring connection or disconnection is required for installation of the shade. The service of a licensed electrician is not required.
- The luminaire is sold separately and may require assembly and installation by a licensed electrician. Check the installation manual of the luminaire for further information.
- Lay out all the components on a smooth surface and make sure no components are missing, or have been damaged during transport, before assembling. Do not operate/install any luminaire which appears damaged in any way. If parts are missing or damaged, return the complete luminaire to the place of purchase for inspection, repair or replacement.
- When installing the shade, always ensure the power has been switched OFF.

Assembly Directions

NOTE: SKU# 090804 – Sofia 400mm shade ring is sold separately and is required for assembly.

1. Remove all packaging material from the product and be careful not to throw away accessories that may be hidden within the packaging material.
2. Place the shade on a smooth non-scratch surface to prevent damage during assembly.
3. Lay shade panel flat with the inner surface facing upwards.
4. Place the top circular ring (SKU# 090804 - sold separately) near the top edge of the shade panel and insert the ring into the clips along the top edge of the shade. (Fig. 1)
5. Rotate the shade and ring to help clip the ring into the remaining clips on the shade.
6. Check and ensure the top ring is fully inserted into the clips on the shade and is secure.
7. Place the bottom circular ring (SKU# 090804 - sold separately) near the bottom edge of the shade panel and insert the ring into the clips along the bottom edge of the shade. (Fig. 2)
8. Check and ensure the ring is fully inserted into the clips on the shade and is secure.
9. Gently adjust the shade panel so it forms a cylindrical shape. (Fig. 3)
10. Bring the two shade ends together and press firmly along the hook and loop fastener, so they are secured firmly together.
11. Verify the shade is round and evenly tensioned.
12. If the shade is to be used on a bayonet B22/BC lamp holder, install the adapter into the bottom circular centre ring. (Fig. 4)

Safety Tips

- Always ensure the power is OFF and the luminaire has cooled down before performing any maintenance, cleaning or making any adjustment to the luminaire.
- Select a suitable location away from liquids and hazards.
- To clean, wipe with a soft damp cloth. Do NOT soak or immerse the product in water or other liquids.
- Ensure that the product does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc..
