

MAE LED FLOOR LAMP

SKU# 250549, 250550

Rated Voltage 220-240V~ 50Hz

To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this portable luminaire. Please keep instructions for future reference.

Warranty

- This portable luminaire is covered by a 3-year warranty valid for in-store replacement or refund only.
- The warranty period starts from the date of purchase. Please retain the proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the luminaire.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.

Installation Requirements

- Select a suitable location for the portable luminaire:
 - Ensure it is on a flat and stable surface.
 - This portable luminaire is suitable for use in indoor environments only.
 - Do not place flammable material near or over the portable luminaire.
 - Ensure the portable luminaire is not installed in direct line of an air vent/system.
 - If installing the portable luminaire in an area prone to moisture, ensure that the area is well ventilated, and an appropriately rated exhaust fan is used if required. Damage or corrosion caused by environmental exposure (including salt air, high humidity, moisture or condensation) is not a product fault, and as such is not covered under warranty.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Check whether the luminaire has been damaged during transport. Do not operate/install any product which appears damaged in any way. Return the complete product to the place of purchase for inspection, repair or replacement.
- Do not plug into the mains power socket outlet before or during installation or setup. Only do so after the portable luminaire is fully installed and is ready to use for the first time.

Installation Directions

1. Remove all packaging material from the portable luminaire.
2. Install the top rod (B) onto the bottom of the luminaire (A), followed by the middle rod (C) and then the bottom rod (D).

NOTE: Take care not to twist and damage the cord during assembly.

Check the cord and relieve any twist in the cord by turning it anti-clockwise.

3. Install the assembled luminaire (A, B, C, D) onto the lamp base (E).
4. Select a suitable location for the portable lamp. See the installation requirements above.
5. Adjust the luminaire head (F) to your desired height and angle.

NOTE: Do not rotate the luminaire head (F) more than 180°, as this may damage the joint and internal wires.

Do not adjust the luminaire head (F) height more than 90°, as this may damage the joint and internal wires.

6. Insert the plug (H) into the mains power socket outlet and ensure it is fully plugged in.
7. Turn power on at the mains power socket outlet.
8. Use the switch (G) on the back of the luminaire head (F) to turn the luminaire ON or OFF.

Safety Tips

- Always ensure the power is OFF and the luminaire has cooled down before performing any maintenance, cleaning or making any adjustment to the luminaire.
- If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.
- The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced. There are no serviceable parts, do not attempt to dismantle or open the luminaire.
- To avoid injury or damage to the luminaire, ensure that power leads and screws are secure before connecting the power.
- Young children should be supervised to ensure that they do not play with the luminaire.
- Handle the luminaire and shade with care to avoid any damage or breakage.
- Select a suitable location away from liquids and hazards.
- To clean, wipe with a soft damp cloth. Do NOT soak or immerse the product in water or other liquids.
- Ensure that the luminaire does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc..
