

ASTRO 1 LIGHT FLOOR LAMP

SKU# 260935.

Rated Voltage 220-240V~ 50Hz

To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this luminaire. Please keep instructions for future reference.

Warranty

- This portable luminaire is covered by a 12-month warranty valid for in-store replacement or refund only.
- The warranty period starts from the date of purchase. Please retain the proof of purchase.
- Warranty will be void if there is any damage due to improper usage or modification to the portable luminaire.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.

Installation Requirements

- Select a suitable location for the portable luminaire:
 - Ensure it is on a flat and stable surface.
 - This portable luminaire is suitable for use in indoor environments only.
 - Do not place flammable material near or over the portable luminaire.
 - Ensure the portable luminaire is not installed in direct line of an air vent/system.
 - If installing the portable luminaire in an area prone to moisture, ensure that the area is well ventilated, and an appropriately rated exhaust fan is used if required. Damage or corrosion caused by environmental exposure (including salt air, high humidity, moisture or condensation) is not a product fault, and as such is not covered under warranty.
- Do not exceed the maximum wattage rating.
- Take care not to pull any electrical wires during unpacking as this may damage the connection.
- Lay out all the components on a smooth surface and make sure no components are missing, or have been damaged during transport, before assembling. Do not operate/install any luminaire which appears damaged in any way. If parts are missing or damaged, return the complete luminaire to the place of purchase for inspection, repair or replacement.
- Do not plug into the mains power socket outlet before or during assembly. Only do so after the portable luminaire is fully assembled with the lamp installed and is ready to use for the first time.

Installation Directions

1. Remove all packaging material from the portable luminaire.
2. Place the portable luminaire on a smooth non-scratch surface to help with assembly.
3. Insert the bottom cable ring (A) through the bottom of the luminaire rod.
4. Install the luminaire base (G) onto the luminaire rods and secure by tightening the screws (H) with the allen key provided.
5. Remove the top cross-arm (F) from the luminaire by loosening the grub screws (E) on the sides with the included allen key.
6. Insert the middle cable ring (A) through the top of the luminaire rod and position it in the middle of the luminaire.
7. Install the cross-arm (F) back onto the luminaire and tighten the grub screws on the sides (E) to hold the position.
8. Insert the top cable ring (A) through the top of the luminaire rod.
9. Install the luminaire head (B) onto the luminaire and secure the position by tightening the grub screws (C) on the sides with the allen key provided.
10. Install a lamp (I – not included) into the lamp holder. Do not exceed the maximum wattage rating.

12. Select a suitable location for your portable lamp. See the requirements above.
13. Insert the plug (K) into the mains power socket outlet and ensure it is fully plugged in.
14. Turn power on at the mains power socket outlet.
15. Use the cord line foot switch (J) to turn the portable luminaire ON or OFF.

1. Ensure the power is turned OFF to the portable luminaire and allowed to cool down before relamping.
2. Remove the lamp from the lamp holder by twisting it anticlockwise and replace with a new lamp.

Safety Tips

- Always ensure the power is OFF and the portable luminaire has cooled down before performing any maintenance, cleaning, changing the lamp or making any adjustment to the portable luminaire.
- If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard.
- To avoid injury or damage to the luminaire, ensure that power leads and screws are secure before connecting the power.
- Children should be supervised to ensure that they do not play with the portable luminaire.
- Handle the luminaire and shade with care to avoid any damage or breakage.
- Select a suitable location away from liquids and hazards.
- To clean, wipe with a soft damp cloth. Do NOT soak or immerse the product in water or other liquids.
- Ensure that the luminaire does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc..
