

KARINE LED RECHARGEABLE TOUCH LAMP

SKU# 271670.

Rated Input 5V DC, 2A

To ensure correct function and safety, please read and follow all instructions carefully before assembly, installation and use of this luminaire. Please keep the instructions for future reference.

Warranty

- This luminaire is covered by a 12-month warranty valid for in-store replacement or refund only.
- The warranty period starts from the date of purchase. Please retain the proof of purchase for any warranty enquiries
- The warranty will be void if there is any damage due to improper usage or modification to the luminaire.
- Failure to comply with the instructions in this manual may increase the risk of damage or injury and will void the warranty.

Installation Requirements

- Select a suitable location for this luminaire:
 - Ensure it is on a flat and stable surface.
 - This luminaire is suitable for use in indoor environments only.
 - This luminaire is not waterproof. Keep away from wet, dusty, humid, direct sun light or hot areas.
 - If the luminaire is placed in an area prone to persistent moisture, ensure that the area is well ventilated, and an appropriately rated exhaust fan is used if required. Damage or corrosion caused by environmental exposure (including salt air, high humidity, moisture or condensation) is not a product fault, and as such is not covered under warranty
- Lay out all the components on a smooth surface and make sure no components are missing, or have been damaged during transport, before assembling. Do not operate/install any luminaire which appears damaged in any way. If parts are missing or damaged, return the complete luminaire to the place of purchase for inspection, repair or replacement.

Operation Directions

1. Fully charge the luminaire before using for the first time.
To charge the luminaire, insert the included USB-A to USB-C cable into the charging port (3) at the back of the luminaire and plug into a compatible adaptor (not included) with a 5V DC 2A output or lower current.

NOTE: This luminaire is not compatible with PD charging standard (generally USB-C to USB-C).

Please use the included USB-A to USB-C cable to charge this luminaire.

2. The indicator light (2) next to the charging port (3) will be on while the battery is charging.
The indicator light (2) around the charging port (3) will turn off after the battery is fully charged.
3. Short press the touch switch (1) at the front of the luminaire to turn it ON or OFF.
4. Long press the touch switch (1) at the front of the luminaire to adjust brightness up or down.

NOTE: Please ensure an appropriate power adaptor is used for charging the lithium battery according to the rated input (5V DC, 2A).

NOTE: Battery performance will gradually decrease over time, this will reduce the operating duration.

Safety Tips and Warnings

- Always ensure the power is OFF and the luminaire has cooled down before performing any maintenance, cleaning or making any adjustment to the luminaire.
- Do not look directly at the LED light source while the luminaire is on, as this may cause eye injury.
- This luminaire is NOT a toy. Keep out of reach of small children.
- This luminaire is NOT suitable for children aged 3 and under.
- Young children should be supervised to ensure that they do not play with this luminaire.
- This luminaire is for decorative purpose only.
- Handle the luminaire with care to avoid any damage or breakage.
- Select a suitable location away from liquids and hazards.
- The light source and rechargeable lithium-ion battery of this luminaire is not replaceable; when the light source or rechargeable lithium-ion battery reaches its end of life, the whole luminaire shall be replaced.
- To clean, wipe with a soft damp cloth or duster. Do NOT soak or immerse the luminaire in water or other liquids.
- Ensure that the luminaire does not come in contact with corrosive chemicals/solvents or abrasive cleaners etc.
